DONOR FACT SHEET

Individual Donor

State tax credits may be available to an individual or married couple making a **cash** donation to an approved NAP organization. Only cash donations are eligible. (Stock, goods, real estate, services, etc. are not eligible for NAP tax credits). The NAP state tax credit for an individual or a married couple making a donation is valued at 45 percent of the donation value. The minimum donation by an individual or a married couple per taxable year must be at least \$500. The maximum tax credit that an individual or a married couple may receive is \$50,000 per taxable year. The state tax credit can be taken only to the extent that the donor has not claimed a deduction for the donated amount on his or her federal income tax return. The donor and the nonprofit organization must maintain sufficient documentation for verification purposes and submit a copy of the check with the Contribution Notification Form E (CNF-E).

Business Donor

State tax credits may be issued to any business entity authorized to do business in the Commonwealth of Virginia. The tax credit can be applied against any Virginia state tax due under Articles 2 (§ 58.1-320 et seq.) and 10 (§ 58.1-400 et seq.) of Chapter 3, Chapter 12 (§ 58.1-1200 et seq.), Article 1 (§ 58.1-2500 et seq.) of Chapter 25, or Article 2 (§ 58.1-2620 et seq.) of Chapter 26 of Title 58.1. The flexibility of the Neighborhood Assistance Act allows the donor business to participate with a variety of allowable donations. Tax credits may be available if the donation is at least \$889 or no more than \$388,889. **All donations of stock, merchandise (including inventory), and real estate must be valued in accordance with IRS standards.** Items that have been fully depreciated/expensed have zero value and are not eligible for Nap tax credits. Also, **discounted property (a partial donation) is not allowable** for NAP donations. As authorized in the Act, the applicable tax credit equals 45 percent of the value of a business donation.
